

REQUIREMENTS TO APPLY

Residency: Couple applies in a Wisconsin county where one or both parties have resided for at least the last 30 days. If the parties reside in 2 different Wisconsin counties, the couple has the choice of which county they want to apply. If both parties are residents of another state, application is filled out in the county of the ceremony.

Ceremony: Must be scheduled before the couple comes in to apply for the license. Any ordained minister, priest, Judge, Court Commissioner or other person qualified to be an officiant may perform the ceremony. Couples make their own arrangements. (Judges and Commissioners are listed on second page).

Marriageable Age: Any person who is 18 years old can marry. If a person is 16 or 17, the license will be issued only with written consent of both biological parents, legal guardians, or custodians. Consent forms are available in the County Clerk's office.

WARNING: If a couple have concerns about the legality of an internet officiant they are planning to use for their marriage, they should contact an attorney for a determination.

TIME PERIODS

To apply, the couple comes in to the County Clerk's office 6 to 30 days prior to the ceremony.

5-Day Waiting Period: 5 days after having completed the application, the license can then be issued from the County Clerk's office.

License Expiration: The license is valid for 30 days after the date of issuance and the marriage must be performed within the 30 day time period. If the marriage does not occur within this period, a new application must be filled out and fees incurred again.

OTHER INFORMATION

Signatures: Both parties must sign the marriage license application in the presence of the County Clerk or Deputy.

Fees: The License Application fee is **\$80**. However, a \$25 waiver fee is charged if, **FOR GOOD CAUSE**, the marriage license needs to be released before the expiration of the 5-Day waiting period.
