

VISION OF WHAT WE WANT TO BE...

The Waupaca County Highway System will be the premier highway system in Wisconsin, boasting roadways of the highest quality that provide the safest transportation for current and future generations.

The Waupaca County Highway Department will be a transportation leader fueled by a highly trained collaborative, energetic, and dependable team totally dedicated to providing exceptional public safety and service. The team will be empowered by the use of modern methods, technology, and public support that is earned by doing things right and doing the right things.

PURPOSE WE COMMIT TO DAILY...

We build and maintain a quality transportation system for the safety and prosperity of current and future generations.

WE VALUE...

- ...honesty and integrity;
- ...worker safety and providing for public safety;
- ...respecting everyone and being respected;
- ...accountability, effectiveness, efficiency; and,
- ...dedication and pride creating excellence that empowers us to implement our purpose and capture our vision.
