REQUEST FOR BIDS COUNTY OF WAUPACA, WISCONSIN

Bids are requested for two new trucks:

- New ¾ Ton Extended Cab Pickup with Service Body and Lift Gate for Waupaca County Parks.
- New ¾ Ton Extended Cab Pickup with 8' Box for Waupaca County Solid Waste.

Bids for each truck will be received in sealed envelopes plainly marked "Waupaca County Parks Truck Bid", or "Waupaca County Solid Waste Truck Bid" in the office of the Parks and Solid Waste Department, 811 Harding St., Waupaca, Wisconsin 54981, until 9:00 a.m. local time on the 6th day of April, 2017.

Waupaca County reserves the right to reject any or all bids, waive irregularities, or accept the bid most advantageous to the County of Waupaca. The successful bids will be awarded by the respective Committee/Board on the basis of which bid best fits the requirements of Waupaca County.

INSTRUCTIONS

To better facilitate bids from the various suppliers, we have provided you with general specifications. If the items listed in our general specifications are not standard on your product, please include them in your total bid. Do not add said items as accessories. It is our intention to list only those specifications which meet our minimum requirements. If your product does not meet the specifications, quote as close to them as possible and note the variance. Our decision will not be based on these exact specifications alone. A brochure showing as many pictures as possible of your truck must be provided.

Any questions should be directed to:

John Francis, Director, Waupaca County Parks and Solid Waste
(715) 258-6243
