- ✓ Adjacent public roads and rights of way
- ✓ Surface water, floodplain drainage ditch and wetland locations
- ✓ Dimensions (including height) of dwelling & proposed project

Wetland Notice to Permit Applicants

In accordance with Wisconsin State Statutes 59.691, you are responsible for complying with State and Federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the Dept. of Natural Resources Wetland Identification Web Page located at <http://dnr.wi.gov/wetlands/locating.html> or contact a Dept. of Natural Resources Service Center.

Projects Disturbing One or More Acres of Soil

I understand that this project is subject to NR 151 regarding additional erosion control and storm water management and will comply with those standards. For more information, visit the Dept. of Natural Resources website or contact a Dept. of Natural Resources Service Center.

Please read and sign in the signature block below:

I, the undersigned, hereby make application for a permit to do only the work described and for the premises and location shown herein.

I hereby certify that the information contained therein is true and accurate. I hereby certify that I am the owner of the property, or a duly authorized representative, and may sign this permit application on behalf of the owner(s) of said property. I have read and understand all of the conditions of this permit listed below and will construct the above mentioned project(s) in compliance with all such conditions. I understand that failure to comply with any or all of the provisions of the permit renders the permit null and void and may result in a fine. I, the undersigned, also agree that all work shall be done in accordance with all the requirements of the Waupaca County Zoning Ordinance, Shoreland Ordinance and all applicable laws and regulations of Waupaca County and the State of Wisconsin.

1. The permit shall lapse and become void if the exterior shell of the operations described in the permit is not completed within twenty-four (24) months of issuance of the permit.
2. A copy of the land use permit must be posted at the project site until the project is completed.
3. The signing of this application grants permission to allow free and unlimited access to the project site during normal working hours to any Planning & Zoning Office representative acting in an official capacity.
4. If necessary, Waupaca County Planning & Zoning may amend this permit by changing or adding conditions to ensure that the project is in compliance with all applicable legal requirements.
5. Proper erosion control methods must be used before, during and after construction in order to prevent erosion.
