

WAUPACA COUNTY CODE OF ORDINANCES
Chapter 18
Nuclear Waste Exploration

18.01 NUCLEAR WASTE EXPLORATION

A. Any person, including individuals, partnerships, associations, corporations, municipalities, or other State and/or Federal agencies, departments, bureaus or units, shall give written notice to the County Board Chairman and the Solid Waste Management Board, a minimum of sixty (60) days prior to said person conducting any drillings over 500 feet in depth or any drillings of any depth or onsite exploration related to the search for a nuclear waste disposal site on lands within Waupaca County.

1. Notification Requirements.

Written notification(s) as required by this Section shall include at least the following:

- a. What specific action is to be undertaken;
- b. The specific purpose of such action;
- c. The specific locations of such activity;
- d. A summary of expected background baseline data to be completed prior to drilling; and
- e. The projected decision making dates involved with the sites:

2. County Representation.

Upon receipt of said notification, Waupaca county, shall be represented by members of the Solid Waste Management Board (2), Emergency Management (1), Solid Waste Department (1). Said representatives shall be chosen by their respective department or committee and shall take care to ensure Waupaca County's responsible involvement in the process.

B. This ordinance shall be in full force and effect upon the date of passage and publication as required by Wisconsin Statutes.
