

LOTTERY AND GAMING CREDIT

The Lottery and Gaming Credit is a State property tax credit for people that own and reside in their primary residence. Property owners are eligible if they owned a primary residence and lived there on January 1 of the current tax year. The amount of the Lottery and Gaming Credit varies depending on the school district you live in. The current tax year Lottery and Gaming Credit rates are provided [here](#).

If you did not receive a Lottery and Gaming Credit on your tax bill and believe you are eligible to receive one, you may still claim the credit from the Wisconsin Department of Revenue until October 1 of the current calendar year. The Department of Revenue will send you a check for the amount of the Lottery and Gaming Credit if you follow these steps:

1. Check your current year tax bill to see if you received the credit.
2. If you do not have your current year tax bill, you may call the County Treasurer's Office to obtain one at (715) 258-6220.
3. If you did not get the current year Lottery and Gaming Credit, determine if you qualify by reading the explanation of the credit [here](#)
4. If you qualify, fill out and print the LC300 State required Wisconsin Late Lottery and Gaming Credit Application [here](#)
5. Fax, mail or email the form, along with a copy of your current tax bill to the Department of Revenue no later than October 1 of the current calendar year. Addresses are listed on the form. **DO NOT SEND THE SIGNED FORM TO THE COUNTY TREASURER.**
